On 24 September 2008, the Supreme Court of Western Australia ordered that the Schemes would be wound up. We are in the process of winding up the Schemes, and in accordance with the court order we are terminating your lease and management agreement (LMA) with PWL. Please see the formal notice attached.

The termination of your LMA will ensure that you are not exposed to any losses incurred in the operation of the company's vineyards in the future.

This is an important step in the scheme's winding up and it will also enable us to complete the winding up of the companies within the Palandri Group.

We continue to investigate the failure of the companies and the schemes and we are working with the Australian Securities and Investments Commission (ASIC) in this regard. We will provide a fuller report on these investigations towards the end of May.

You are not required to take any action in response to this notice, however should you have any queries please contact Sarah Marshall on (08) 9365 7369.

Yours sincerely
